

## Nova Guides is a 'Polaris Adventure Certified Outfitter'

**NEW TO THE VAIL VALLEY**

We are a **Polaris Adventure Certified Outfitter** that is part of our select network of premier, adventure experts selected by Polaris. This is a very select and special group only chosen by Polaris executives.

Nova Guides was chosen to be a 'Polaris Adventure Certified Outfitter' due to:

- Our Superior location and trails in Vail, CO
- Our vast Experience
- Our Adherence to best practices
- Our High scores in customer satisfaction
- Our Commitment to safety and ethics.

Nova Guides is not a dealer or rental vendor, **Nova Guides is a Polaris Adventure Certified Outfitter!** Nova Guides will provide 2018 Polaris vehicles at our location in Camp Hale for rental and guided tours.

### ONLY THE BEST

*"Through the Polaris select qualification process, **we only work with premium outfitters who raise the bar and create the best ride and drive experiences possible.** By partnering with Polaris Adventures, certified outfitters are held to the highest possible safety and ethics standards and receive **a new fleet of the latest Polaris vehicles every year.**"*

### Polaris Adventures

Connecting guests with unforgettable experiences coast to coast, Polaris® Industries Inc. has launched **Polaris Adventures, the premium network of ride and drive destinations nationwide.** Area experts, known as 'adventure outfitters', provide worry-free ride and drive options in **state-of-the-art Polaris vehicles** to create safe, memorable adventures for all skill levels.

Once guests have arrived at the location, outfitters offer adventure experiences driving state-of-the-art Polaris vehicles that come **equipped with intuitive navigation** and accessories tailored to the local environment. All guests are given vehicle and safety instructions, making the experience approachable for any skill level. Guided tours are also available in select destinations.

### TURNING MOMENTS INTO MEMORIES WITH NOVA GUIDES

*"By establishing partnerships with local area experts, we have created a network of premium riding and driving experiences throughout the country. From Maine to Maui, this program consistently delivers the highest quality ride opportunities on the latest Polaris vehicles. The greatest reward is watching newcomers get into the driver's seat and create a lifetime of memories. That's what it's all about! **Our Polaris Adventure outfitters are part of our select network of premier, local adventure experts.** Polaris Adventures works with outfitters based on experience, adherence to best practices, high scores in customer satisfaction as well as a commitment to safety and ethics." said Paul Vitrano, Vice President and General Manager of Polaris Experience, LLC.*
